

Partners in Education (PIE)
2016-17

We are looking for parents, grandparents, and friends of St. Mary's to be involved in our Partners in Education (PIE) group. Currently, we have only have two members in this group and we need more participation in order to support our staff and students.

Funds that are raised by the group are used to support various activities and awards, including Spelling Bee winners, Teacher Appreciation Week, and the Big Raffle student contest.

Please contact the school at 517-369-4625 if you are interested in joining this group and supporting our staff and students in their wonderful endeavors. Once we have enough members signed up, we will schedule a meeting. Thank you.
